

RE NEW

RE NEW

Here at Cold Springs Church we are all about restoring and strengthening. Not by our strength and power, but by the power of the Holy Spirit.

RENEW is about creating environments where children, men and women will experience the renewing power of the Holy Spirit that will restore faith in Jesus Christ and strengthen families to be salt and light so others can be restored and strengthened in our community.

We are **committed**, **sold-out** and **passionate** about being a church for the next generation. We are about raising up compassionate followers of Jesus Christ to love and care for young and old, near and far from God.

As we look to impact the next generation we are hoping to bring renewal in three specific areas:

1. RENEW OUR CHILDREN AND FAMILIES
2. RENEW OUR FIRST IMPRESSION/WELCOME
3. RENEW OUR WORSHIP ENVIRONMENT

"But when the goodness and loving kindness of God our Savior appeared, he saved us, not because of works done by us in righteousness, but according to his own mercy, by the washing of regeneration and renewal of the Holy Spirit, whom he poured out on us richly through Jesus Christ our Savior, so that being justified by his grace we might become heirs according to the hope of eternal life."

Titus 3:4-7, ESV

RENEW OUR CHILDREN AND FAMILIES

Cold Springs Church is a church for the next generation. We are committed to engaging the hearts and minds of the children in our community so we can reach and disciple. To see children and parents be compassionate followers and risk takers for Jesus.

\$150,000

GOALS

Create an interactive, inviting and engaging environment in our children's ministry space so kids love coming to church and learning about Jesus.

Install a shade structure over the outdoor playground area so our kids have a safe, year-round play area.

Create a family gathering place next to the play area so kids and families can experience friendship and fun in a safe environment.

Creating ridiculously cool, fun environments for kids & families!

STORY

The check-in area is themed as a main street. It is where kids and parents get checked in before heading out into the wilderness. As they continue into the space the buildings and street lights fade away as the outdoors become the main focus. Rock faces, waterfalls, and biking trails invite kids to explore and have fun. The theme paired with details like Bible verses carved in to trees reminds kids to be risk takers for God.
