

Jesus Every Day - Easter Sunday

Luke 23:53 - 24:9

Hebrews 4:14-16

What are you preparing out of what you know?

What expectations do you bring to Jesus?

- We often bring expectations and things that we have prepared to the table.
- Those things we can bring fall short when faced up against life.

We can experience life every day when we experience Jesus every day.

The problem is our mindset can get in the way.

We have to have a mindset of Jesus being with us.

If we dare to have that mindset, we just might get to experience the Life that Jesus won so long ago.
