## **ICE BREAKER**

What are 2-3 traits of a really good friend? What makes these good qualities for relationship? How do you think someone in an older or younger generation would answer?

**PRAYER:** Our desire is that you give 10% of your time to God in prayer. Before your sermon discussion, pray together.

## **DIGGING DEEPER**

COLDSPRINGS  
**CHURCH**

There are generational differences that stem from differing life experiences and perspectives.

2. What intergenerational dynamics do you see between Jesus and his earthly parents in Luke 2:41-52?

3. What three things stand out in Paul's interaction with Timothy in the following passages: 1 Timothy 4:12-13 and 2 Timothy 1:15, 4:12-14?

4. What is Jesus' prayer for intergenerational relationships?  
(See John 17:20-23).

### **TAKING IT HOME**

While generational differences can cause separation between generations, they can also serve to enrich those relationships as we grow and share life together.

5. What generational differences do you experience?

6. What positive qualities do you see in those younger and older than you? How does that help you see them as people who need an *identity of grace, belonging with love and purpose with mission?*

7. This weekend we heard the phrase, "When it comes to vulnerability, go first." What does that look like in your context?

8. At Cold Spring Church we talk about our "One More..." that person, whom God has put in our path to pray for, care for and share with. Who is a younger person that God's Spirit is nudging you to pray for and reach out to? When will you do so?
