## **THIS WEEK: Acts 9:32-43**

In Acts, the Bible captures the story of how a crucified Jesus challenged a hostile and disinterested culture with a message of hope, grace and love that continues to transform lives today. The Book of Acts. Jesus still matters. Jesus still transforms. Jesus still challenges culture. Jesus still saves.

1. Looking back at your notes from this week's teaching, what particularly caught your attention, encouraged, challenged or confused you?
  
  
  
  
  
  
  
  
  
  
2. What makes the above response important to you?
  
  
  
  
  
  
  
  
  
  
3. What can you say about this week's message regarding how God works in modern times?

4. What miracle(s) has God done in your life or the life of someone you know?

### **TAKING IT HOME**

Throughout the Acts sermon series, we have seen that what qualifies us to be used by God in the world is to be a disciple of Jesus. At Cold Springs Church we describe a disciple of Jesus as, “someone who follows Jesus in an ever-deepening relationship of love.”

Paul was chosen by God, but in this sermon series we have also seen how Ananias, Peter, Dorcas and others were used by God. Some people have dramatic conversion experiences while others just go about quietly serving God. Our relationship with Jesus helps us to be *ready* for God to perform a miracle or give us a task unique to our lives.

5. What obstacles do you face in saying “Yes” to serving God in this season?

6. What obstacles to you face in believing God can still do a miracle in your life?

7. How can this week’s message (or others) address those obstacles?

8. Taking all that you have considered this week, what will help you move more toward a Jesus trusting life?
