SERMON STUDY GUIDE 2/5/17

FOOLPROOF: Puzzled: Solving the Riddles in Relationships and the Mysteries in Marriage

Prayer Tithe: Give your time to God. Before your sermon discussion, pray together. Save the prayer requests for later in your group meeting and just start praying and praising... about anything that is on your hearts and minds.

Icebreaker: Share a favorite memory about your relationship or that of a couple you admire. What makes it memorable?

This Week:

1. Looking back at your notes from this week's sermon, share anything that particularly caught your attention, encouraged, challenged or confused you.
2. What makes your above response important to you?
3. Is there something from the weekend teaching that surprised you? How so?
4. What helped you see more of Jesus and His cross, or moved you to love Him more?

Putting it into Action

Throughout this series we have noted that: "Wisdom is not a door you walk through, but a path you walk down" (J. Kehler). We also heard that, "Straying from the path of wisdom robs our energy" (S. Wright).

5. What is God calling you to do in light of this week's teaching? What would change if you did so?
