***1. Gifts - the evidence of God's grace that enables you to serve others.***

Read 1 Corinthians 12:1-11:

*The Spiritual Gifts Assessment:*

1. If you have taken the Spiritual Gifts test, share your results with your group.

2. Were you surprised? Did it confirm what you already knew? Share 1 or 2 observations about the result with your group.

*In verses 4-7 Paul stresses that God has given us a diversity of gifts but for the common good.*

3. Why is it important to view the gifts God has given us as coming from Him and Him alone?

4. What is a practical way you are using your gifts in service to Jesus? If this is new to you, what is a way that you can do so going forward?

**2. Passion - what you wave your arms around when you talk about it.**

*In Philippians 3:4-6 Paul is describing to the church in Philippi about his commitment and passion to what he thought was God's work prior to his conversion. In verse 6 he talks about his 'zeal' to persecute the church. Of course, we know that after his conversion, Paul used that zeal for the furtherance of the Gospel.*

5. What are you passionate about? How can you harness your passion and use it for God's glory?
