SERMON SERIES: *Grounded*

Wisdom is the mindful application of our knowledge and experience to how we think, feel and act that results in flourishing relationships, (...with God, self and others).

Godly wisdom is the righteous application of the knowledge of God, ourselves and our experience to how we think, feel and act resulting in flourishing relationships with God, self and others.

Foolishness is the mindless ignorance of knowledge and experience to what we think, feel and act resulting in deteriorating relationships with God, self and others. "The way of a fool is right in his own eyes..." (Proverbs 12:15a, ESV)

Ephesians 3:17–19. **Being Grounded is consistently living out of the love, knowledge, presence and strength of Jesus.**

Being Grounded Is Living Wisely.

THIS WEEK: “Grounded: In The Dirt With Others”

Watch the weekend’s sermon: <http://www.coldspringschurch.net/sermons.html>.

PRAYER: God is worthy to be sought - take time to pray together in your group.

ICE BREAKER: Describe what an “authentic relationship” means.

EXPLORING TOGETHER

There is value in sharing perspectives about the weekend sermon in community. With dialogue around God’s truths, perspective broadens and impacts transformation.

SERMON DISCUSSION QUESTIONS:

1. What do you like the best?
2. What do you like the least?
3. What don’t you understand?
4. What did you learn about God?
5. What do you personally need to do about it?
6. Which phrase or verse do you want to take with you?

REFLECTION

You Can't Do This Alone, You Are Made For Community. You can only live a grounded life by being in authentic relationship with others.

Don’t Live In A Lie

We all have lies we believe about ourselves, God and others. When we ground ourselves in the truth of scripture, in right understanding of who God is and who we are, we are grounded.

SURRENDER PRAYER

*Jesus, I surrender this _____ [belief/thought/feeling/action] to you right now.
Come be with me and I am going to follow you.*
