## SERMON STUDY GUIDE 4/2/17

### FOOLPROOF LEADER

**Prayer:** Give your time to God. Before your sermon discussion, pray together. Save the prayer requests for later in your group meeting and just start praying and praising... about anything that is on your hearts and minds.

**Icebreaker:** Think of someone who has been of great influence in your life. What makes (or made) them so?

**This Week: Proverbs: 2:20-22; 3:3-4, 9-10, 17-18, 25-27; 8:12-16**

1. What stood out to you from the weekend teaching? What was hard to hear? What was affirming?

Throughout our Foolproof series we have learned there are two paths from which we choose. The Proverbs author uses the metaphor of "Lady Wisdom and Woman Folly."

2. Think of a situation in which you chose the path of either wisdom or folly. What happened? What could have happened had you chosen the other path?

3. In your estimation, what makes someone a leader?

Read the Proverbs passages together.

4. Based on Proverbs, describe three character traits reflected in a wise leader's life.

5. In a results oriented society, good character can feel overrated. But our inner life matters to God. Why is that?

President John Quincy Adams said, "If your actions inspire others to dream more, learn more, do more and become more, you are a leader." God takes leadership a bit further because character always matters.

6. In thinking of your spheres of influence, where is God calling you to lead wisely? What do you need to do so?
