OBSERVATION - List facts stated, such as who did what, when, where, why and how. What happened in the story or what is the theme or lesson?

APPLICATION - Ask the Lord to show you how the passage applies to your life. What does he want you to do? Believe? Confess? How does God want you to obey and confirm your life to this passage?

PRAYER - End in prayer. Thank God for what he revealed. Ask for his empowerment to obey, confess any shortcoming, pour out any care or anxiety, commit to walking in his word. Just commune with him!

WEEKLY REFLECTION

At Cold Springs we define **a disciple of Jesus as someone who follows Jesus in an ever deepening relationship of love and helps others do the same.** We seek to live out of the overflow of a Jesus-trusting life, BEING restored and strengthened.

Surrender your position as the Gold Standard, as judge

Follow Jesus' example of love lived - be a person of grace and mercy

Listen to the voice of Jesus when tempted to judge - he touched people with compassion

Do the Good News of Jesus

7. In light of this message or study, what do you need to *surrender, follow, listen and do* to increasingly become (or help someone else become) **restored and strengthened in Christ?**
