“They...”

3G Faith

“When the day of Pentecost arrived, they were all together in one place. And suddenly there came from heaven a sound like a mighty rushing wind, and it filled the entire house where they were sitting.

...And divided tongues as of fire appeared to them and rested on each one of them. And they were all filled with the Holy Spirit and began to speak in other tongues as the Spirit gave them utterance."

Acts 2:1-4 ESV

“And they devoted themselves to the apostles’ teaching and the fellowship, to the breaking of bread and the prayers. And awe came upon every soul, and many wonders and signs were being done through the apostles

...And all who believed were together and had all things in common. And they were selling their possessions and belongings and distributing the proceeds to all, as any had need...

...And day by day, attending the temple together and breaking bread in their homes, they received their food with glad and generous hearts, praising God and having favor with all the people...

...And the Lord added to their number day by day those who were being saved.”

also for those who will believe  
in me through their word...

...that they may all be one, just  
as you, Father, are in me, and I  
in you, that they also may be in  
us, so that the world may  
believe that you have sent me...

...The glory that you have given  
me I have given to them, that  
they may be one even as we are  
one...

...I in them and you in me, that they may become perfectly one, so that the world may know that you sent me and loved them even as you loved me."

...Bear one another's burdens,  
and so fulfill the law of Christ...

...For if anyone thinks he is something, when he is nothing, he deceives himself. But let each one test his own work, and then his reason to boast will be in himself alone and not in his neighbor...

The background of the slide features a light blue, ethereal scene of water. Several translucent water droplets are shown in various stages of falling and splashing. One droplet is at the top center, another is slightly below it to the left, and a larger one is splashing into the water in the lower center, creating ripples. ...For each will have to bear  
his own load."
